### **NETWORK DYNAMICS, INC. EXPANDS TO NEW CORPORATE HEADQUARTERS**

**Oldsmar, Florida – May 16, 2005** – Network Dynamics, Inc. (NDI), a network technology and life cycle solutions provider, announced today that they have signed an agreement with Harrod Properties Development Ltd. to purchase a new, larger facility for the expansion of their corporate headquarters.

NDI's new corporate offices are located in the Brooker Creek Corporate Center, along with several other major community business leaders such as Nielson Media Research (2,000 employees) and United Healthcare (1,500 employees). The new location, with up to 40,000 square feet of space, will house NDI's corporate offices, sales and marketing, technical logistics and network operations.

“NDI's growth over the last several years has been phenomenal and we are thrilled about expanding our presence in the business community as a result of this success,” said Jim Bradshaw, president and CEO of Network Dynamics, Inc. “This expansion of our corporate facilities is an exciting opportunity that will give us much-needed room for continued growth and will also allow us to better serve our customer base.”

The Brooker Creek Corporate Center is located north of State Road 580 and west of Race Track Road in Oldsmar, Florida (between Hillsborough and Pinellas Counties). This location provides convenient access for NDI's customers to the Tampa International Airport, Downtown Tampa, Interstate 275 and all of Central Florida.

“Our company's financial performance has been exceptional in a very tough economic climate,” said Peter Reagan, Chief Operating Officer of NDI. “We are so pleased that our profitability remains steady and strong, and that our financial growth allows us to make this move into a well-established business community on Florida's West Coast. NDI's customers will certainly benefit from our centralized location, as well as our expanded logistics and technical operations.”
